

EZULWINI GAMES LODGES borders on the Olifants River, situated in the Balule Reserve - a part of the Greater Kruger National Park, and is the ultimate for relaxation.

Travelers fly into Johannesburg. The lodges are located 300 miles to the east. Just a short commuter flight to Hoedspruit, and you are within 25 minutes to the Lodges at Ezulwini and the start of your African experience!

The accommodations are luxurious, appointed with local antiques and artwork. Individual chalets feature air conditioning, refrigerator, and en suite bathrooms.

All meals are inclusive and each lodge has it's own private chef. The meals showcase the local African cuisine.

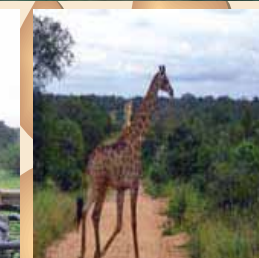

Two photo safari game drives per day are included in your stay - one during daylight hours and one during the evening to see the nocturnal animals. Game watching includes the Big Five (elephant, rhino, lion, leopard, and buffalo) as well as the cheetah, wild dog, over 465 known species of birds, and plants indigenous to the area. Highly trained and experienced game rangers ensure that your safari ranks amongst the best in the world. You can look forward to fantastic close-up experiences with Africa's wildlife on every game drive.

Relax poolside after a day of viewing the wildlife. Listen to the magical sounds of the African Bush at sundown while enjoying the renowned local wines or your favorite cocktail and knowing tomorrow will bring another day filled with the spirit of Africa and experiences of a lifetime.
