

Point Arena Light Station **CLUB 150**

Join the Point Arena Light Station's **CLUB 150!**

The Point Arena Light Station #496 was officially established on September 30, 1869. Construction of the first Tower was completed in April 1870. The light was first lit May 1, 1870. In 2021 May 1st will mark 151 years of the Lighthouse lighting the way on the Mendocino coast.

We had planned several celebratory events in 2020 to mark this historic milestone, but sadly the COVID-19 pandemic forced the cancellation of them all. Point Arena Lighthouse Keepers, Inc. (PALKI), the non-profit organization that owns, maintains and manages the Light Station, is hoping that it can present some “150th + 1” events to celebrate this special place and its impressive history.

To help fund these events and the preservation of the Light Station for generations to come PALKI has created **CLUB 150**. For a \$150 donation you can join **CLUB 150** and receive the following:

- Your name on a brass plaque mounted on the Club 150 redwood burl in the Buttress Room of the Lighthouse Tower
- 150th Anniversary T-shirt
- 150th Anniversary cloisonné pin
- 150th Anniversary embroidered patch

The first 20 **CLUB 150** members who join by April 24 will also receive an invitation to the special “150th + 1” celebration at the Light Station on Saturday, May 1 starting at 6:30 p.m. These lucky **CLUB 150** members will be treated to champagne, Lighthouse Mimosas, sparkling juices and sweet and savory snacks. A special presentation on the history and technology of the Lighthouse will be given before the ceremonial relighting of the Tower in honor of the first light that was lit at 7:14 p.m. on May 1, 1870.
